5. Greenkeepers Report- David Dymock

I apologise for my absence from the meeting.

During the last month, I have jet washed the slabs. The weather board on the bottom of the bowls cupboard doors has been filled this will be undercoated and glossed when the weather allows.

The outside tables and benches have been jet washed. These will require sanding and some treatment when a little dryer. This will need a few volunteers to help.

Also, when it is dry, the rink markers require repainting.

I notice that along the club entrance door side the boarding needs attention. Again, this will require help.
