

Safeguarding

Our club wants to ensure that all who participate in our sport do so in a safe, positive, enjoyable environment. No one should ever have to worry about abuse or harassment. We have adopted the Safeguarding guidelines and procedures of Bowls England. If you have any concerns, please report them to one of our Safeguarding/Welfare Officers:

All Safeguarding concerns will be reported to the appropriate governing body for advice. These include historic allegations and concerns relating to the current welfare/safeguarding of either adults or children in bowls.

If you prefer, you can also report concerns directly to your selected governing body. Here are some contact details:
